

2018 Morobe Open

Information & Conditions of Competition

Entries

Entries for the 2018 Morobe Open will close on Wednesday 14th March. **This is approx. 2 weeks earlier than normal.**

Ties

- In the event of a tie for first place at the Morobe Open, a playoff will determine the winner of each tournament and with it will come the prizemoney, the 'Divisional Status' and the name on the trophy.
- All professionals will play 72 holes.

Standard of Dress

- Tailored Shorts or Tailored Pants with a collared shirt are to be worn during practice and tournaments rounds
- **T-Shirts are not permitted to be worn at anytime**, including arrival at each club on travel days
- Jeans and denim shorts are permitted to be worn at all tournament functions, however they must not have any rips or frayed edges.
- **Thongs and T-Shirts are not** permitted at anytime at either club

Billets

Please note that members at the Lae Golf Club have been kind enough to invite each of you into their homes for the tournament week. Please show your billets the utmost respect and appreciation for their hospitality.

A list of billeting arrangements will be available approximately one week before departure. All efforts will be made to keep requested travelling partners together, though in some instances this may not be achievable.

Although we endeavour to have all professionals accommodated with billets, there may be the off chance that some players will be required to pay for hotel accommodation. If this happens to be the case, hotel rooms will be offered to players at a heavily reduced rate.

The standard of behavior whilst staying with billets is nothing less than what you would expect at a residence in Australia. Please use facilities such as phone and internet wisely and please note that at no stage should any extra guest stay at billeted

accommodation without the consent of your billet. Any inappropriate behavior will be dealt with through the PGA Member Regulations.

Lessons

As part of your billeted accommodation, it is also expected of each player to offer their billet a “Free of Charge” golf lesson. This can be arranged at anytime during the week that suits both the professional and their billet.

It is also asked of each professional to look after their Pro-Am partners throughout the Pro-Am day as well as throughout week, offering them any tips and pointers that may assist them with their golf game.

This is also a great way to show your support, which will in turn assist with the longevity of the event.

Caddies

Any caddy that a player selects, must hold a current caddy ID card, which they will give to you at the start of the week. Each player must retain the ID card for the remainder of the week to ensure you have the same caddy for the duration of the event.

Please ensure that all your property is in its rightful place after each round and if you believe something is missing, please notify an official.

Please take into consideration payment of caddies and what the impact will be for members when we leave. The minimum payment for caddies is K20 per round + a drink and pie. We ask that you give your caddy approx K120 for the week’s work at, which includes one practice round and the Pro-Am day. Payment date can be worked out between player and caddy, though it is recommended to pay your caddy per day.

Leaderboards

Leaderboards will be present over the final two rounds of the Morobe Open. Volunteers will be asking for your individual round score and it is expected that each player give their correct score when asked. Please understand that these volunteers have given up their time to ensure players and spectators are up to date with the progressive scores.

Currency Exchange

Adam Edwards, Lae Golf Club member, will be available on the first day we arrive to exchange currency for all players.

Prizemoney

Prizemoney for the Morobe Open will be paid via Electronic Funds Transfer into your bank account, as per the process when tournaments are played in Australia.

Prizemoney for the PNG professionals will be paid to them in the week following the completion of the Morobe Open.

Water

Please be aware that it is not advisable to drink tap water while in PNG, as it may result in an upset stomach. If you drink the water, it will not necessarily mean you will end up with a stomach bug, however as a precautionary measure, we would advise you to purchase a packet of "Imodium Tablets" from the chemist.

Items to bring to PNG

- Wet Weather Gear – We recommend you bring wet weather gear, as it rains most evenings in PNG and may continue on during the day. In saying this though, the temperature is between 25-35 degrees everyday and therefore it may be best to bring a short sleeve jacket.
- Old Clothes – Your caddy may appreciate any clothes, shoes, caps and thongs that you may not wish to bring back to Australia
- Old Golf Clubs – The Lae golf club have requested that any old clubs you may not want anymore be donated to the junior program at each club
- Practice Balls – Please bring your own practice balls as the driving ranges at both clubs involve hitting your own practice balls with your caddy retrieving them

Items not to bring to PNG

Expensive Items – Please don't bring any expensive items to the golf course. All efforts to ensure the security of such items will be taken, however you will have no reason for concern by eliminating the risk. **Do not place any valuables in your golf bag while on course.**

Thank you Letters

We trust that each player recognises that the committee at the Lae Golf Club have put in a large amount of time and effort to ensure their success. The Morobe Open over the past 5 years have significantly increased their prizemoney, with this year professionals competing for \$110,000.

We ask each competing professional to write a thank you letter to the below contact to ensure the longevity of this event:

Morobe Open

John McCathy – Tournament Director
